Your first month is FREE, if you like what you have experience and you decide to stay, your next month will cost you \$19. The following month will cost you \$49 with no increases after that, less than a good cup of coffee a day. It. does not get any better than this, anywhere. You can live the laptop lifestyle, but you do need the knowledge to succeed. And with that knowledge you can have the freedom to take your laptop and travel within your country or overseas and continue to enjoy an income. You will be able to have true freedom, that no one can take away from you.

I have done my part, I have opened the door for you however, you have to walk through that door. You have to make the decision if you want to attain the necessary knowledge so that you can succeed, to have all the ammunition to acquire your dreams. To stop wasting your time, to stop spinning your wheels, to have the courage to do what you know needs to be done. With all of my heart I sincerely hope to see you on the wealthy affiliate campus.
